Description

The Schuko plug cover of the Simon 360 series features a matte sand tone finish, designed to be discreetly integrated into any interior environment. Its surface reduces light reflections and facilitates maintenance by minimizing the appearance of stains and fingerprints.

Technical characteristics

- Series: Simon 360
- Format: Schuko
- Material: High durability thermostable steel
- Protection: IP20
- Dimensions: 70 x 70 x 35 mm
- Orientation: Horizontal and vertical
- Working temperature: 5 - 40 °C
- Guarantee: 3 years
- Compatibility: Simon Base 75

The matt finish provides a continuous and sophisticated aesthetic, ideal for neutral combinations or modern interior design trends.

Its installation is versatile, being suitable for both surface mounting and embedded directly in compatible mechanisms.
