Schuko IP44 Matte Black Socket Cover Simon 360

Brand: SIMON

Reference: SIMON 36002041-098

Schuko plug cover of the Simon 360 series with IP44 protection and matt black finish. Made of thermostable steel, it guarantees high mechanical strength and prolonged durability. Its horizontal design allows for recessed or surface installation in compatible frames, reducing luminous reflections and facilitating maintenance by minimizing the accumulation of footprints and stains on exposed surfaces.

Description

The Schuko plug cover of the Simon 360 series features a matt black finish that seamlessly integrates the mechanism in any environment, avoiding reflexes and reducing maintenance by minimizing footprints. Made of thermostable steel, it guarantees high strength and stability for a long service life under working conditions between +5 and +45 degrees.

Technical characteristics

- Series: Simon 360
- Protection: IP44
- Material: Steel, Thermostable
- Format: Schuko
- Dimensions: 70 x 70 x 42 mm
- Type of installation: Suitable for surface and recess
- Orientation: Horizontal
- Guarantee: 3 years
- Working temperature: +5...+45 °C
- Compatibility: Mark Simon 360
- Content of the package: Mechanism, cap and instruction sheet

Its design allows a precise installation in Simon 75 mechanisms, either recessed or on the surface, ensuring a clean and durable aesthetic result thanks to the quality of the thermostable steel.

Specifications

Colour	Matt black
EAN	8421053450765
Material	Steel
Protection	IP44
Piece type	Covers and keys
Series	Simon 360
