3-Element Aligner Simon 360

Brand: SIMON

Reference: SIMON 36000930-039

This alignment for three elements of the Simon 360 series guarantees visual continuity and uniformity in recessed installations. Made of steel coated by cataphoresis, it ensures flatness on the wall and total compatibility with the S75 platform. Its universal assembly simplifies the process before installing the electrical mechanisms.

Description

The Simon 360 Series 3-Element Aligner is a solution designed to ensure a clean and optimal installation, ensuring visual continuity and uniformity in the holes on the wall. It is compatible with the S75 platform and essential for the correct operation of pulsating systems or installations with Clean Schuko.

Technical characteristics

- Series: Simon 360
- Protection: IP20
- Material: Steel
- Dimensions: 77 x 219 x 1.5 mm
- Type of installation: Suitable for recessing
- Orientation: Horizontal and Vertical
- Assembly: Universal
- Units per pack: 5
- Guarantee: 3 years
- Regulations: Dir. 2014/35/EU LVD ?? EN 60669-1:2018
- Compatibility: Caps Simon 360
- Elements: 3 elements
- Point of sale: Cataphoresis coating for corrosion and durability

Thanks to its anticorrosive treatment, this component improves resistance to oxidation. Its design

provides flatness on the wall and ensures visual continuity in multiple installations.

The assembly is simple: it is placed on the screws of the boxes before inserting the electrical mechanisms.

Specifications

EAN	8421053438022
Material	Steel
# Elements	3 elementos
Protection	IP20
Piece type	Accessories
Series	Simon 360
