## Description

The SIMON AQUA frame with simple white key is an essential component for electrical installations that require minimalist protection and aesthetics. Its robust design is easily integrated into various environments, offering a reliable solution managed by the renowned SIMON brand.

Technical characteristics

- Series: AQUA
- Range: SIMON AQUA - ESTANCA
- Colour: White
- Degree of IP protection: IP55
- IK impact force: IK07
- Mounting position: Vertical
- Installation to a minimum: Yes
- PVR: 6.71

Thanks to its high degree of IP55 protection and IK07 impact resistance, this framework ensures the safety of electrical equipment housed against moderate dust and splashes, ensuring lasting operation in demanding environmental conditions.
