Description

The Simon AQUA frame with double white key belongs to the ESTANCA series of the renowned SIMON brand, designed for installation and construction professionals who require robust and aesthetically clean solutions.

Technical characteristics

- Series: AQUA - ESTANCA
- Colour: Pure white
- Mounting position: Vertical
- Installation to a minimum: Yes
- Degree of IP protection: IP55
- IK impact force: IK07
- Availability: On request

The integration of a double key allows precise control of two different functions from a single element, optimizing management in complex installations. Its white finish and minimalist design adapt to various decorative environments without compromising its technical functionality.

Thanks to its high impact resistance (IK07) and protection against dust and water (IP55), it guarantees a long service life even under intensive conditions, ensuring durability in demanding projects.

Specifications

Colour	White
EAN	8421053298374
Piece type	Frames
