LED Surface Beacon Tech Black 6W CCT IP54

Reference: LEDME GA9145

iSG Lighting's Tech Black LED surface beacon is a 6W industrial lighting device with SMD light source. It offers a brightness of 500 lumens and light efficiency of 83 lm/W. Its aluminium housing ensures IP54 protection and IK8 resistance. Operates between -20°C and +45°C at a beam angle of 60°.

Description

The Led Tech Black Surface Balise from iSG Lighting is a light-signalling device designed for surface installation, offering an efficient and durable solution with LED SMD technology.

Technical characteristics

- Watts: 6 w
- Light Source: Smd Led
- Luminosity: 500 lm
- Efficiency Lm: 83
- Working temperature: -20°C ~ +45°C
- Emission angle: 60°
- Useful Life: 30000 hours
- Protection: IP54
- Class Electrical insulation: I
- Power supply: 220-240v ac
- Frequency: 50/60 Hz
- Installation: Area
- Dimension: 160X30H mm
- Material: Aluminium
- CRI: 80
- Guarantee: 3 years
- Color Temperature: 3CCT

Its aluminium construction and IP54 degree of protection ensure stable operation in various environments, while high light efficiency ensures optimal visibility with low energy consumption.

Specifications

Appliance class	Class I
Frequency	50/60 Hz
Cri (Ra)	80
EAN	8435579791455
Manufacturer	iSG Lighting
Lumens (lm)	500 lm
Material	Aluminio
Power (W)	6 W
Protection	IP54
Nominal voltage (V)	220-240 V
Type of installation	Surface
Type of lamp	LED SMD
Estimated life (h)	30000
