Description

The M LEDME Multicolor Led Hose Controller is an electronic device designed to manage and regulate the operation of LED lighting systems connected to hoses, allowing accurate control from a safe distance through its remote control.

Technical characteristics

- Mark: M LEDME
- Maximum power: 500
- Working temperature: -20°C ~ +40°C
- Protection: IP65
- Power supply: 220-240v ac
- Dimension: 90X47X25H mm
- Material: PC
- Includes: Remote control
- Guarantee: 3

Thanks to its robust PC material housing and IP65 protection certification, this equipment ensures stable operation in various environments where dynamic lighting is required, offering a reliable solution for the management of light effects with a three-year warranty that supports its quality.

Specifications

EAN	8435579700938
Manufacturer	Ledme
Remote control	Yes
Material	PC
Maximum power (W)	500 W
Protection	IP65
