LED Plus Sticks CCT Ceiling Fan with Remote Control and App

Reference: LEDME LM8088

The LED Plus Sticks CCT ceiling fan by M mimotec integrates lighting and climate control with a 16W DC motor and a 36W luminaire. It offers 6 speed levels between 20 and 50 dB, 3CCT color regulation, remote control, mobile app, and timer for energy efficiency in indoor spaces.

Description

The LED Plus Sticks CCT ceiling fan from the M mimotec brand is an integrated climate control and lighting system that combines efficient ventilation with a high-quality LED light source. Its design allows regulating both airflow and light intensity, offering versatility for different environmental needs.

Technical Features

- DC motor with maximum energy efficiency.
- Luminous power of 36 W and maximum motor power of 16 W.
- Total luminosity of 2400 lumens with adjustable color temperature (3CCT).
- Variable rotation speeds between 60 and 1100 RPM.
- Operating noise levels between 20 and 50 dB.
- Light projection angle of 120°.
- Estimated lifespan of 30,000 hours.
- Protection rating IP20.
- Electrical supply of 170-265V AC.
- Dimensions: 550 mm diameter and 250 mm height.
- Construction in aluminum and polycarbonate (PC).
- Color Rendering Index (CRI) of 80.
- Air control system for summer and winter.
- Includes integrated timer.
- Control via remote control and mobile application.
- Adjustable in intensity and speed.

- 3-year warranty.

Thanks to its silent motor and the ability to adjust color temperature, this device offers superior thermal and visual comfort. Air regulation for different seasons allows optimizing the indoor climate without the need for additional climate control at specific times.

Installation requires standard ceiling mounting, ensuring electrical connection according to the specified supply.

Specifications

Timer	Yes
High	250 mm
Bulb not included	Yes
Cri (Ra)	80
Diameter	550 mm
EAN	8435579780886
Manufacturer	M mimotec
Lumens (lm)	2400 lm
Remote control	Yes
Power (W)	36 W
Maximum power (W)	16 W
Protection	IP20
Adjustable	Yes
Revolutions per minute (RPM)	60-1100 RPM
Nominal voltage (V)	170-265 V
Speeds	6
Engine	DC
Decibels (dB)	20-50 dB
Usage	Indoor
Summer/winter function	Summer and winter
