ISG Lighting Pronext Modular LED Floodlight 200W Salt-Resistant 5000K

Reference: LEDME GA6263

The modular LED Pronext focus of iSG Lighting offers 200W of power with Sanan source and Philips driver, reaching 30,000 lumens and efficiency of 150 lm/W. It has IP65 and IK8 protection for demanding environments, color temperature 5000K and service life of 50,000 hours in range -40°C to 55°C.

Description

iSG Lighting's Pronext Modular LED Focus is a high-power lighting system designed for demanding environments that require reliability and energy efficiency. Its robust construction allows continuous operation in adverse conditions, ensuring optimal performance during its long service life.

Technical characteristics

- Power: 200 W
- Luminosity: 30,000 lumens
- Light efficiency: 150 lm/W
- Color temperature: 2700K, 4000K or 5000K
- Beam angle: 90°
- Lifetime: 50,000 hours
- Protection against water and dust: IP65
- Mechanical protection class: IK8
- Material: Aluminium and Polycarbonate (PC)
- Driver: Philips
- CRI: 70
- Power factor: 0.9
- Flicker Free: Yes
- Regulatory: 1-10V
- Power supply: 100-265V AC, 50/60 Hz
- Working temperature: -40°C to +55°C

- Overvoltage protection: 10 kV
- Electrical insulation class: I
- UGR: <26
- ULR: 0% (mounting at 0o)
- Guarantee: 7 years
- Installation: Area
- Replacement light source: Yes
- Replaceable driver: Yes

Thanks to its high light performance and Flicker Free technology, this focus provides uniform and comfortable lighting for indoor and outdoor spaces. The availability of multiple color temperatures allows the environment to be adapted according to the specific needs of the project.

Its modular design facilitates the maintenance and replacement of critical components such as the light source or the driver without needing to replace all equipment, ensuring operational continuity and reducing long-term replacement costs.

Specifications

Appliance class	Class I
High	90°
Cri (Ra)	70
Driver included	Yes
EAN	8435579762639
Manufacturer	iSG Lighting
Lumens (lm)	30.000 lumens
Power (W)	200 W
Protection	IP65
Adjustable	Yes
Nominal voltage (V)	100-265 V
Colour temperature	2700K
Usage	Indoor and outdoor
