

## Product sheet

## ISG Lighting Solar LED Wall Light 2.5W 2700K IP54 with Motion Sensor

Reference: LEDME GA7369

iSG Lighting's Led Solar Delhi App offers outdoor lighting with 2700K color temperature and 2.5W power. It has a 3.7V 2000 mAh battery that guarantees a usage time of 10 to 12 hours after charging between 4 and 6 hours.

### Description

iSG Lighting's Led Solar Delhi App is an autonomous lighting system that combines energy efficiency and security. It works with solar energy stored in its internal battery, ideal for lighting outdoor areas without connection to the electrical grid.

#### Technical characteristics

- Trademark: iSG Lighting
- Power: 2.5 W
- Lightness: 150 lumens
- Luminous efficacy: 60 lm/W
- Color temperature: 2700K
- Emission angle: 360°
- Lifetime: 30,000 hours
- Protection: IP54 and IK8
- Battery: 3.7V 2000 mAh
- Insulation class: III
- Material: PC
- Dimensions: 250x142x142 mm
- CRI: 83
- Sensors: Crepuscular and movement
- Detection angle: 120°
- Detection distance: 10 meters

- Charging time: 4-6 hours
- Time of use: 10-12 hours
- Regulation: Night mode (15s - 15s)
- Installation: Area
- Includes: Bulb
- Guarantee: 3 years
- Replacement light source: Yes

Thanks to its motion sensors and crepuscular, this device automatically regulates its operation according to the ambient light and the presence of people, optimizing consumption. Its battery allows a range of up to 12 hours after a full charge.

The installation is carried out by means of a surface system, facilitating its installation on walls or facades. The light source is replaceable, ensuring easy maintenance over the years.

## Specifications

|                             |               |
|-----------------------------|---------------|
| Appliance class             | Class III     |
| High                        | 250 mm        |
| Bulb not included           | Yes           |
| Width                       | 142 mm        |
| Opening angle               | 120°          |
| EAN                         | 8435579773697 |
| Manufacturer                | iSG Lighting  |
| Lumens (lm)                 | 150 lm        |
| Depth                       | 142 mm        |
| Protection                  | IP54          |
| Adjustable                  | Yes           |
| Type of installation        | Surface       |
| Colour temperature          | 2700K         |
| Estimated life (h)          | 30.000        |
| Diameter (cm)               | 14,2 cm       |
| Usage                       | Outdoor       |
| Suitable for sloped ceiling | No            |
