## White Luxtar 30W 6000K Recessed LED Downlight

Reference: LEDME GA4262

30W recessable Downlight with 6000K color temperature and Sanan light source. It features 110 lm/W light efficiency, 90 deg beam angle and estimated service life of 50,000 hours.

### Description

The iSG Lighting's Downlight Led White Luxtar is an recessable lighting device designed to deliver an efficient and durable solution in indoor spaces. Its LED technology guarantees optimum performance with extended service life, adapting to various lighting needs through its high energy efficiency.

#### Technical characteristics

- Trademark: iSG Lighting
- Power: 30 W
- Light Source: Sanan
- Luminosity: 3300 lm
- Efficiency: 110 lm/W
- Working temperature: -20°C ~ +45°C
- Emission angle: 90°
- Lifetime: 50000 hours
- Protection: IP20, IK5
- Class Electrical insulation: II
- Overvoltage protection: 4 Kv
- Power supply: 220-240V AC
- Installation: Empotrable
- Dimensions: 160x55H mm (cut 145 mm)
- Material: Aluminium
- Driver: Lifud

- CRI: 80
- UGR: <19
- Power factor: 0.9
- Regulatory: Optional
- Guarantee: 5 years
- Color temperature: 6000K

Thanks to its high chromatic reproduction rate and low glare, this downlight provides uniform and quality lighting, ideal for environments that require visual clarity without eye fatigue.

The installation is simple thanks to its recessable design and precise dimensions, facilitating its integration into existing roofs. Its thermal and electrical robustness ensures stable operation in a wide range of operating temperatures.

## Specifications

|                             |               |
|-----------------------------|---------------|
| Appliance class             | Class II      |
| Bulb not included           | No            |
| Opening angle               | 90°           |
| Cap                         | LED           |
| Energy classification       | A             |
| Cri (Ra)                    | 80            |
| Driver included             | Yes           |
| EAN                         | 8435579742624 |
| Manufacturer                | iSG Lighting  |
| Halogen-free                | Yes           |
| Lumens (lm)                 | 3300 lm       |
| Power (W)                   | 30 W          |
| Protection                  | IP20          |
| Nominal voltage (V)         | 220-240V AC   |
| Colour temperature          | 6000K         |
| Light power (W)             | 30            |
| Usage                       | Indoor        |
| Suitable for sloped ceiling | No            |
