Description

The M LEDME brand's black roll diffuser is a lighting accessory designed to evenly distribute light emitted by LED sources. Made of PC material, this product is presented in a format of 30 meters with a width of 12.5 mm, offering a flexible solution for the integration of linear lighting systems.

Technical characteristics

- Mark: M LEDME
- Material: PC
- Width: 12.5 mm
- Length: 30 meters
- Colour: Black

Thanks to its polycarbonate construction and continuous roll design, this diffuser allows an installation adaptable to different configurations of LED luminaires, ensuring a homogeneous light output without generating bright points.

Specifications

EAN	8435579738764
Manufacturer	Ledme
Long	30 metros

Material	PC
