Black diffuser 15mm profile polycarbonate M LEDME

Brand: LEDME

Reference: LEDME LM3672

The M LEDME 15 mm profile black diffuser, made of polycarbonate (PC), ensures a uniform distribution of light. This technical component is designed to integrate into linear lighting systems, offering mechanical strength and thermal stability suitable for industrial and commercial applications where a discreet and functional aesthetic finish is required.

[View product online](#)**Description**

The M LEDME 15 mm black profile diffuser is a component designed to be integrated into linear lighting systems, offering an aesthetic and functional solution with black finish.

Technical characteristics

- Mark: M LEDME
- Material: PC (Polycarbonate)
- Compatibility: 15 mm profile
- Colour: Black

Given its polycarbonate material and its specific design for 15 mm profiles, this diffuser allows the uniform distribution of the light emitted by the LED modules housed within the corresponding lighting system.

Specifications

Colour	Black
EAN	8435579736722
Manufacturer	Ledme
Material	Polycarbonato
