Description

This 20-unit pack of hippopotamus connectors is designed for connecting 12 mm LED strips with 5 pins. Made by the LEDME brand, this component allows you to join lighting segments efficiently and safely, facilitating the installation of LED lighting systems in various projects.

Technical characteristics

- Quantity: 20 units
- Mark: LEDME
- Protection: IP20
- Current intensity: 5A
- Guarantee: 3 years
- Compatibility: 12 mm LED strips, 5 pins

The IP20 protection indicates that the connector is designed for indoor use, offering protection against large solid objects. The 5A current intensity ensures a stable connection for standard LED lighting applications. The 3-year warranty supports the quality and durability of the product.

Specifications

Rated current (A)	5
Manufacturer	Ledme
Protection	IP20

Usage	Indoor
