Description

The M LEDME Multifunction Feather LED Flashlight is a portable device designed to provide versatile and reliable lighting in various situations. Its compact and functional construction makes it a practical tool for daily or emergency use, ensuring optimal performance thanks to its high quality components.

Technical characteristics

- Mark: M LEDME
- Power: 4 W
- Light source technology: COB
- Luminosity: 160 lumens
- Light efficiency: 40 lm/W
- Estimated useful life: 20,000 hours
- Degree of protection: IP65
- Type of feed: AAA batteries (not included)
- Dimensions: 23 x 160 mm
- Body material: PC
- Guarantee: 3 years
- Color temperature: 6000K

Thanks to its degree of protection IP65, this equipment resists the entry of dust and water jets, which allows its use in outdoors or humid environments without risk of damage by external elements.

Specifications

EAN	8435579790427
Manufacturer	Ledme
Lumens (lm)	160 lm
Material	PC
Battery included	No
Power (W)	4 W
Protection	IP65
Type of lamp	COB LED
Colour temperature	6000K
Estimated life (h)	20000
