Description

The M LEDME Cobfix 10W Module Surface Hoop is a component designed to integrate light modules into applications where a surface installation with compact dimensions is required.

Technical characteristics

- Mark: M LEDME
- Protection: IP20
- Dimension: 105X105X110mm
- Material: Aluminium

Given its aluminium material and its precise dimensions, this hoop offers a solid structure and a metallic finish suitable for the fixation of lighting modules in controlled interior spaces.

Specifications

EAN	8434559453819
Manufacturer	Ledme
Material	Aluminio
Protection	IP20
Usage	Indoor
