Description

The White Flexible Connector for Three-Phase Rail from the brand M LEDME is an electrical component designed to facilitate connections in three-phase systems, offering a compact and functional solution with IP20 protection.

Technical Specifications

- Brand: M LEDME
- Protection: IP20
- Dimensions: 240X30X35 mm
- Material: PC
- Warranty: 3 years

Its construction in PC material and reduced dimensions allow for neat installation in limited spaces, ensuring compatibility with standard rails.

Specifications

Colour	White
EAN	8435579732250
Manufacturer	Ledme
Material	PC
Protection	IP20
