Description

4L surface ring made of aluminium for Cobfix LEDME modules. This structural component ensures a safe and stable assembly, integrating cleanly into technical lighting systems.

Technical characteristics

- Material: Aluminium
- Protection: IP20
- Dimension: 205X205X110H mm

Its robust construction supports the weight of the module without deformations. The IP20 protection indicates that it is designed for dust-free indoors and without risk of contact with water.

Specifications

Manufacturer	Ledme
Material	Aluminio
Protection	IP20
Type of installation	Surface
