Cam Beacon E27 40 W IP44

Brand: LEDME

Reference: LEDME LM7314

Baliza Cam M LEDME brand, designed for surface installation with IP44 protection and IK8 mechanical strength. Made of steel and PMMA, it supports maximum powers of 40 W. It uses E27 light source, electric insulation class I, ideal for demanding industrial or outdoor environments.

[View product online](#)**Description**

Baliza Cam is a lighting device designed for industrial or safety applications, with surface installation and E27 light source. Its structure is made of steel and PMMA, offering mechanical resistance and protection against external agents.

Technical characteristics

- Light Source: E27
- Maximum power: 40 W
- Protection: IP44
- Mechanical resistance: Ik 8
- Class Electrical insulation: I
- Installation: Area
- Dimension: 180 x 500 mm (width x height)
- Material: Steel ?? PMMA
- Includes: Does not include bulb
- Guarantee: 3 years

The design and technical specifications indicate its use in environments where splash and impact protection is required, as well as a fixed installation on surfaces.

Specifications

Appliance class	Class I
High	500 mm
Bulb not included	No
Width	180 mm
Cap	E27 - rosca ancha
Manufacturer	Ledme
Material	Steel
Maximum power (W)	40 W
Protection	IP44
Type of installation	Surface
