Description

Embedded base with white rail, designed for single phase installations. This component of the LEDME brand is made of polycarbonate (PC), offering a compact and functional solution for mounting on surface or wall.

Technical characteristics

- Mark: LEDME
- Material: PC (Polycarbonate)
- Dimension: 170 x 30 H mm
- Cutting dimension: 150 mm
- Guarantee: 3 years

The PC structure provides lightness and mechanical strength suitable for use in standard electrical installations. The rail design facilitates the integration and handling of wiring, optimizing the space available in the registration box.

Specifications

Colour	White
Manufacturer	Ledme
Material	PC
Measures	170x30 mm
