Description

Wall support specifically designed for the installation of LED headlamps with a fixing diameter of 60 mm. Made by LEDME, this accessory allows mounting luminaires on vertical surfaces in a safe and stable way, optimizing the space and facilitating integration into exterior or interior lighting projects.

Technical characteristics

- Mark: LEDME
- Material: Metal
- Dimensions: 500 x 150 x 73 mm (high)
- Fixing diameter: 60 mm
- Guarantee: 3 years

The metal construction offers the rigidity necessary to sustain the weight of standard LED lamps. Its compact dimensions allow a discreet installation on walls, ensuring a firm fixation thanks to the specific diameter of 60 mm. The 3-year warranty supports the durability of the product under normal conditions of use.

Specifications

High	73 mm
