Description

The M LEDME Led Rgb Fast Strap Controller is a device designed to manage and regulate the operation of RGB LED lighting strips, offering precise control by means of a remote control. Its robust construction ensures stable performance in various environmental conditions.

Technical characteristics

- Mark: M LEDME
- Protection: IP65
- Power supply: 170-265v ac
- Dimension: 90X60 mm
- Material: Aluminium
- Guarantee: 3 years

Thanks to its aluminium and polycarbonate housing, the equipment effectively dissipates the heat generated during its operation, ensuring the longevity of the electronic component and the safety of the connected lighting system.

Specifications

Manufacturer	Ledme
Remote control	Yes
Material	Aluminio

Measures	90x60 mm
Protection	IP65
Nominal voltage (V)	170-265V AC
