## Description

Adjustable round nickel finish brackets, designed for ceiling or wall mounting, compatible with GU10 and MR16 bulbs. Ideal for lighting systems in residential or commercial spaces requiring a modern and functional finish. Each pack includes two units, facilitating installation at multiple light points.

### Technical features

- Dimension: 85 mm
- Cutout dimension: 70 mm
- Material: Aluminum
- Brand: M LEDME
- Quantity: 2 units
- Warranty: 3 years

The adjustable design allows for angle adjustment according to need, optimizing light distribution in the space. Its aluminum construction ensures good mechanical strength and a durable finish.
