Description

This LEDME stand for LED projectors is designed to provide a stable and secure base for the installation of lighting equipment. Made of metal, it guarantees the necessary robustness to hold the device reliably in its chosen location.

Technical characteristics

- Mark: LEDME
- Material: Metal
- Dimensions: 360X150X83H mm
- Guarantee: 3 years

The metal construction provides durability and structural resistance, while the specific dimensions allow an orderly integration into spaces where precise fixation is required. The three-year warranty supports the quality of the product and the manufacturer's confidence in its long-term performance.
