Description

2 metre Fint 12/24V aluminum profile designed for linear lighting installations. Compatible with 12V and 24V systems, it offers a robust and lightweight structure to support luminous components. Includes 2 lids and 1 diffuser for a complete and functional installation.

Technical characteristics

- Dimension: 2000 x 35 x 66H mm
- Material: Aluminium
- Includes: 2 lids, 1 diffuser
- Guarantee: 3 years

The profile allows a uniform distribution of light thanks to the included diffuser, optimizing lighting in linear spaces. Its aluminium design ensures good thermal dissipation and durability in commercial or residential environments.

Specifications

Manufacturer	Ledme
Material	Aluminio
