Description

Support for LED projectors of the LEDME brand, designed to offer a stable and secure base for the installation of lighting equipment. This accessory is made of metal, ensuring a solid structure that supports the device.

Technical characteristics

- Mark: LEDME
- Material: Metal
- Dimensions: 530x155x75H mm
- Guarantee: 3 years

The metal construction provides the rigidity necessary to keep the projector in its optimal position. Its specific dimensions allow for functional integration in spaces where additional support for projection equipment is required.
