Description

E27 to E40 adapter from the M LEDME brand, designed to connect E27 screw-base bulbs to E40 fittings. Ideal for installations requiring connection between different bulb screw types, ensuring a safe and stable installation. Made of aluminum, offering good mechanical strength and thermal dissipation.

Technical specifications

- Brand: M LEDME
- Dimension: 44 x 386 mm
- Material: Aluminum
- Warranty: 3 years

This adapter enables compatibility between different bulb and fitting types, facilitating integration into existing lighting systems without requiring structural changes.

Specifications

Manufacturer	Ledme
Material	Aluminio
Measures	44x386 mm
