Description

Ceramic adapter for connecting E27 screw bulbs to E40 brackets. Designed for use in standard electrical installations, it allows compatibility between different types of bulbs and bases. Made of ceramic, it offers stability and thermal resistance suitable for its basic function.

Technical characteristics

- Mark: M LEDME
- Dimension: 44X386 mm
- Material: Ceramic
- Guarantee: 3

This adapter allows the secure connection of E27 bulbs on E40 brackets, facilitating the installation in light points with this type of thread. Its ceramic construction guarantees good electrical insulation and thermal stability.

Specifications

Manufacturer	Ledme
Material	Ceramic
Measures	44x386 mm
