Description

5 meter long electric cable garland, designed for outdoor use thanks to its IP65 protection. It incorporates 10 E27 screw caps, allowing the installation of standard bulbs to create decorative or functional lighting in open spaces.

Technical characteristics

- Mark: LEDME
- Protection: IP65
- Dimension: 5000 mm
- Material: PC
- Guarantee: 3 years
- Connector: Caps E27
- Number of casings: 10

The combination of IP65 protection and PC material provides adequate resistance for outdoor weather conditions. Its length of 5 meters facilitates the installation on terraces, gardens or facades, adapting to different lighting configurations.
