Description

The 870 mm picker clamp of the ACCUMASTER brand is a hand tool designed to facilitate the safe and accurate handling of materials, offering an extended range with its aluminum alloy tube. Its construction combines strength and lightness, ideal for tasks that require precision in general environments.

Technical characteristics

- Aluminium alloy tube
- Tube diameter Ø23.8mm
- 0.8 mm width
- Ergonomic plastic handle with safety lock
- Non-slip rubber for a safe grip
- Plastic nylon components on handle and tip

The combination of an ergonomic handle with safety lock and nylon components ensures a controlled operation, while the anti-slip rubber improves gripping during prolonged use.

Specifications

Diameter	23,8 mm
EAN	8432453010190
Manufacturer	ACCUMASTER

Long	870 mm
Material	Aluminio
