Description

The Painter Kit Mango + Roller and Tray of the ACCUMASTER brand is a complete set designed to facilitate the application of paint in various environments. It includes a roller with integrated handle and a practical tray, ideal for renovation or maintenance work.

Technical characteristics

- Roller width: 23 cm.
- Roller material: Polyester.
- Measurements of tray: 36 x 25.5 x 7 cm.
- Handle design: Ergonomic and non-slip.
- Roller type: Anti-drip.

Thanks to its polyester construction, this kit offers a uniform finish with less dripping during application. The ergonomic handle provides greater user comfort, allowing more efficient work without excessive fatigue.

Its use is recommended for walls, ceilings and any surface that has smooth or semi-lysed textures, ensuring a homogeneous cover in each pass.

The kit is presented with the tray included, ready for immediate use without the need for additional accessories.
