Description

The LOGUI round wall clock is a functional and aesthetic accessory designed for homes, offices or commercial spaces that require a clear and discreet time indication. Its compact design is easily integrated into various decorations without occupying much visual space.

Technical characteristics

- Dimensions: 33 x 33 x 4 cm
- Material: Plastic and glass
- Batteries: 1.5 V AA (1 battery not included)

With a plastic housing and protective glass, this watch offers durability suitable for indoor use. The need for a 1.5 V AA battery indicates that it works using conventional electrical energy, requiring its installation in an area with access to power or near an energy outlet to maintain constant power supply.

Specifications

Diameter	32 cm
