Description

WADFOW automatic pliers are precision tools designed for the quick and clean cutting of electrical insulators in wires of various thicknesses. Its integrated mechanism facilitates the extraction of the material without damaging the metal conductor, optimizing installation and electrical maintenance work.

Technical characteristics

- Pelacable diameter: 0.5mm~6mm
- With cutting function
- Handle covered with PP TPR
- Material sheet 65Mn
- Product size: 175x85mm
- Code: WBQ8401

The 65Mn steel blade ensures efficient cutting, while the ergonomic handle with TPR coating provides a safe and comfortable grip during prolonged use. Its compact design allows agile handling in small spaces.

Specifications

EAN	6942431484438
Manufacturer	WADFOW
Material	Acero 65 Mn
Measures	175x85mm
