Description

WADFOW Widia drill bits, with WMZ1K04 code, are a drilling tool designed for general applications in the field of hand tools. Its construction ensures reliable performance in standard drilling tasks.

Technical characteristics

- Size: 8x120mm
- Material: Chromium-vanadium steel
- Surface finish: Sand
- Presentation: Individual blister

Given its composition in chrome-vanadium steel and its diameter of 8 millimetres, this drill offers the necessary strength for precision work in common materials where a robust and durable cutting tool is required in the day-to-day workshop.

Specifications

Diameter	8 mm
EAN	6941786803840
Manufacturer	WADFOW
Material	Acero al cromo-vanadio
