Description

The galvanized hook of the WADFOW brand is an essential fixation element designed to hang and hold objects safely. Its robust construction makes it a reliable option within the turning and fixing sector.

Technical characteristics

- Size: 6mm (1/4")
- Material: carbon steel
- Workload limit: 40kg
- Surface treatment: electro-galvanized
- Break load: 2 times the workload limit

Thanks to its surface and material treatment, this hook offers a high mechanical strength guaranteed by the relationship between its workload and its breaking point.

Specifications

Diameter	6mm
EAN	6932584815517
Material	Acero al carbono
