Description

The 200mm WADFOW multifunction combination plier is a versatile tool designed to optimize effort in cutting and handling tasks, offering a 65% energy saving compared to conventional models.

Technical characteristics

- Size: 8"/200mm
- Material: Cr-V
- Surface treatment: black and polished finish
- Bicolor handle for a strong and comfortable grip
- Includes nail fastening function
- Includes key function
- Includes deburring function

Thanks to its construction in Cr-V steel and its polished surface treatment, this utensil guarantees durability and resistance during daily use. The combination of integral functions allows multiple operations without changing tools.
