Description

The WADFOW-branded SDS Plus drill with WHD3212 code is an accessory designed for electro-portables that allows efficient drilling in masonry. It has a measurement of 6 x 160 mm and an additional SDS stem system for a secure connection.

Technical characteristics

- Measure: 6 X 160 mm
- System: SDS plus
- Point: Double flute and cross carbide
- Materials: High quality TCT tip and chrome-vanadium steel
- Finished: Sanded surface

The combination of TCT tip and chrome-vanadium steel ensures lasting performance in drilling applications with rotary tools.

Specifications

EAN	6932584823574
