Description

The WADFOW Drilling SDS adapter, code WKCR0102, is an accessory designed to connect tools compatible with the SDS plus system. Its main function is to allow the installation of specific items in drilling equipment.

Technical characteristics

- Connection system: SDS plus
- Connection size: 1/2"-20UNF
- Compatibility: Articles 50461 and 50460
- Presentation: Blister

This component facilitates the integration of specialized parts in electrical machinery, ensuring a suitable mechanical connection according to the manufacturer's specifications.

Specifications

EAN	6932584815104
Manufacturer	WADFOW
