Description

The WADFOW brand's Phillips PH1x25mm 2-piece Bit Set is a set of fixing tools designed for precise bolting jobs. It is marketed in individual blister presentation, ensuring its protection and ease of use.

Technical characteristics

- Bit size: PH1
- Axle length: 25mm
- Material: Cr-V steel
- Heat treatment: Hardened and tempered
- Surface finish: Sand
- Presentation: 2 Unit Blister

Given its construction in hardened and tempered steel, these bits offer the necessary strength for general fastening applications where precision in PH1 size is required.
