Description

The WADFOW self-locking cutter is a cutting tool designed to handle safety sheets safely and efficiently, ensuring accurate control during use.

Technical characteristics

- Sheet size: 9x80mm
- Includes 1 sheet (reference WMK1K09)
- Automatic locking mechanism
- Total handle length: 135 mm
- Flat activation pusher
- Individual blister presentation

The compact length and ergonomic design facilitate maneuvering on flat surfaces, while the automatic locking system prevents unwanted movements of the handle when the push-button is not pressed.
