Description

This WADFOW brand mechanical tool kit consists of 8 pieces of deep impact wrenches designed for a 3/4" drive size. The set includes head measurements of 26, 27, 29, 30, 32, 35, 36 and 38 mm, all made of heat-treated Cr-Mo steel.

Technical characteristics

- Set of 8 pieces of deep impact keys
- Drive size: 3/4"
- Head sizes: 26, 27, 29, 30, 32, 35, 36, 38 mm
- Total length: 90 mm
- Material: Cr-Mo steel
- Thermal treatment applied
- Suitable for WCD1B128 and UWCD1B128 models
- Presentation in briefcase

The thermally treated alloy steel construction ensures the necessary robustness for deep impact applications, offering durability and precision in the adjustment of mechanical components within the specified range.

The package is delivered in a briefcase, facilitating its transport and safe storage in workshops or working environments where this specific calibre of tools is required.
