Description

The WADFOW High Performance diagonal cutting plier is a hand-held tool designed to make precise and efficient cuts on various materials. Its optimized construction allows superior performance to the standard models.

Technical characteristics

- Size: 7"/180mm
- Material: Cr-V
- Energy saving: 30% more than normal pliers
- Surface treatment: black and polished finish
- Bicolor handle for strong grip and comfort
- Integrated deburring function
- Blister presentation

Thanks to its Cr-V material and 30% energy saving, this plier makes cutting easier by reducing user fatigue during extended tasks. The deburring function allows to clean the cut edges without the need for additional tools, guaranteeing clean and professional finishes in each work performed.
