WADFOW CAT II 600V Digital Multimeter with RMS Display

Brand: WADFOW

Reference: GIB 051488

The CAT II WADFOW digital multimeter model WDM1502 is a measuring instrument with real RMS display and 4000 accounts. Operates in AC/CC voltage between 0.8 and 600 V, offering resistance of 600k Ω , continuity, automatic range and intelligent shutdown. Includes two R03 AAA batteries for immediate operation.

Description

The WADFOW CAT II 600V digital multimeter, model WDM1502, is an electrical measuring instrument designed to perform accurate readings in low voltage environments. Its operation is based on an intelligent technology that facilitates daily use.

Technical characteristics

- Screen with real RMS and 4000 accounts
- Voltage CA/CC: 0.8 ~ 600 V
- Inlet resistance: 600k Ω
- Continuity and automatic range functions
- Automatic shutdown included
- Feeding with 2 R03 AAA batteries

The ability to measure up to 600 volts in alternating and continuous current, together with the high input resistance, allows reliable data to be obtained without overloading the circuit under test. The high resolution screen guarantees a clear reading even under low lighting conditions.

Specifications

EAN	6942431452888
Manufacturer	WADFOW

Battery included	Yes
