Description

The WADFOW 250mm Extension Bar is a mechanical accessory designed to extend the scope of tools, facilitating tasks in small spaces or difficult to access. Its robust construction ensures stability and precision during use.

Technical characteristics

- Size: 250 mm
- Material: CR-V
- Thermal treatment applied
- Surface chrome
- Hanger presentation

Due to its composition in CR-V steel and heat treatment, the bar maintains its dimensions and structural strength under demanding working conditions, offering a durable solution for manual extensions.

Specifications

Colour	Cromado
EAN	6941786807190
Manufacturer	WADFOW
