Description

The reference product 51519 is a stator and its control components, manufactured by the brand WADFOW. It is classified within the subfamily of spare parts for electroportables, designed as a specific spare part to maintain the operation of electrical equipment.

Technical characteristics

- Reference code: 51519
- Supplier code: WCDP9281-SP-9
- Mark: WADFOW
- Product type: Stator and control components
- Subfamily: Spare parts - Electroportables
- Minimum unit of sale: 1
- Units per large pack: 1

As a specific replacement for reference 51519, this component is intended for direct replacement in electrical machinery that requires this original part to operate properly.
