Description

The referenced stator 50635 is an original replacement of the brand WADFOW, belonging to the replacement subfamily for electroportables. This component is specifically designed to replace the defective element in equipment using this reference, ensuring the proper operation of the electric motor.

Technical characteristics

- Original reference: 50635
- Product code: WMD15851E-SP-22
- Mark: WADFOW
- Type: Stator
- Minimum unit of sale: 1
- Units per large pack: 1

Since it is a spare part, its use is intended exclusively for the repair and maintenance of electrical machinery that requires this specific part to restore its operativity.

Specifications

EAN	6923736708900
Manufacturer	WADFOW
