Description

The WADFOW-branded Cincel Plano SDS MAX, identified with the WGZ2205 code, is an essential accessory for drilling and demolition power tools. Designed to provide precision and efficiency in heavy construction work, this element ensures optimal operation by properly integrating into compatible machines.

Technical characteristics

- Measurements: 18x50x400 mm.
- Profile: Flat.
- Attachment system: SDS MAX.
- Product code: WGZ2205.
- Compatibility: Tools WRH3D38 and UWRH3D38.
- Presentation: Hanger.

Given its flat profile and its specific dimensions, this chisel is suitable for cutting and fracture work in hard materials such as concrete, brick and cement, facilitating the execution of demolition tasks controlled by professional machinery.
