Description

This two-point set of impact screwdriver brand WADFOW, 50mm PH2 model, is an essential accessory for electroportiles. Its design is optimized for bolting and unscrewing jobs in environments where precision and resistance are required.

Technical characteristics

- Impact screwdriver tip
- Size: PH2 50mm
- Material: Industrial steel S2
- Includes high visibility cover
- Blister presentation
- Black surface with integrated magnet
- Impact zone optimized to reduce breakage

The construction in industrial steel S2 and the reinforced impact zone ensure greater durability against torsion cycles, minimizing the risk that the tip will break during intensive use with power tools.

Specifications

EAN	6941786808548
Manufacturer	WADFOW
Material	Acero S2
