Description

The Kleaner aluminium flat mop is a microfiber cleaning tool designed to remove dirt more efficiently than conventional mop, reaching even the smallest cracks.

Technical characteristics

- Corrosion resistant aluminium head with transparent enamel coating.
- High absorption power of microfiber material.
- Each corner of the plastic-coated head so as not to damage the furniture.
- Telescopic handle adjustable between 75 cm and 130 cm.
- 60 cm head width.

Thanks to its robust construction and plastic protection on the edges, this mop effectively allows cleaning delicate surfaces without risk of scratches, taking advantage of the ability of fibers to retain deep dirt.

Specifications

Width	60 cm
EAN	6959125752155
