Description

The TE IGUUAL accessory of the HORTILOX brand is a fitting designed for irrigation systems that facilitates continuity, linking, direction and derivation of pipes within the installation.

Technical characteristics

- Measure: 20mm
- Material: PP (Polipropylene)
- Available series with diameters from Ø20mm to Ø90mm

This component of the FITTING RIEGO family allows to adapt and connect different sections of pipe with precision, ensuring an efficient flow in agricultural or horticultural irrigation networks.

Specifications

Diameter	20mm
EAN	8432453700398
Manufacturer	HORTILOX
Material	Polypropylene
